RUFF DAWG

12.5/80-18 (335/80-18)

19.5L-24 (500/70-24)

**NOW AVAILABLE...
ORDER TODAY!**

The Ruff Dawg R4 is designed with hard surface backhoes in mind while performing well on standard applications. This high quality tire provides excellent puncture protection in even the most rigorous conditions. The tread design significantly reduces vibration for improved ride quality.
